## **Fees:**

The marching band activity at Lehi High School is entirely student funded. We do our best to forecast costs vs student enrollment to come up with a figure that will allow us to cover our operating expenses. Please understand that we treat the money we bring in through student funds very seriously. We appreciate the sacrifice that many of our students and their families make financially to be able to participate in our organization.

**2015 Marching Band Fee: \$750.00**

Additional fees not applicable to every member:

**Instrument Rental: \$70.00**

**Stick/Mallet/Head Fee: \$70.00**

Please note that additional expenses such as shoes, equipment, band jackets, etc. are not included in the above figures. A cost breakdown including prices for additional items will be included on your financial disclosure statement that comes from the Financial Office at Lehi High School. Those forms must be signed and returned to Nancy Turner, our Financial Secretary at the high school.

**Practice Schedule:**

The Marching Band practices 3 times per week starting immediately after band camp. Our practice times are as follows:

Monday 2-6

Wednesday 3-6

Thursday 6-9

Due to uncertainty in athletic field scheduling at the high school, the locations for our practices are still pending.
