

## What do I need for a Marching Band Rehearsal?

### Clothing (must follow school dress code policy)

- T-shirt of light material/color
- Athletic shorts
- Tennis shoes/sneakers – NO flip flops, slippers, etc.
- Hat
- Be aware of weather – if it will be chilly, bring a light jacket.

### Equipment

- Your Instrument
- Your Music (even if it is memorized)
- Extra valve oil, reeds, etc.
- Your Dot Book, coordinate sheet, and a pencil (Fall Season)
- WATER! Students should bring at least a ½ gallon of water and mark their bottle with their name. Camelbacks are especially recommended.
- Sunglasses (the sun is bright and sometimes you can't look away)
- Sunscreen – you will burn!
- Anything else your section leader or staff asks for.

### Other things to remember:

- PRIDE – Passion, Respect, Integrity, Dedication, Excellence
- If you have questions during camps/rehearsals, first ask student leadership, a staff member or a band parent before asking Mr. Parker.
- No cell phones during rehearsals. Be present at our rehearsals. The time flies faster when you focus on getting better.
- Expectations:
  - Show Up
  - Work Hard
  - Be Musical
  - Have fun!
